In neither of the Jagheers of Islands and Singapore, the Jagheerdars is vested with Criminal jurisdiction and it is not advisable to hamper to them any such powers. The Jagheers form an integral part of the Negri State and the people of these Jagheers must be subject to the same laws and the same system of civil and criminal administration. We cannot have one system for the Jagheers and another for Government areas. The arrangements pleaded by the Jagheerdars of Islands are common to both the Jagheers and the

17 DEC 1919

Dear sir;

With reference to your D. O. No. G.13624-5/Cts.157-18-20 dated 11th December 1919(received on the 15th instant by post),enquiring whether I shall be agreeable to bear the cost if a Special Magistrate's Court is located in the Yelandur Jaghir,I write to invite your kind attention to the Official reference I made to the Government on the 13th instant in regard to the Special Magistracy. That reference explains my views in the matter.

A Special Magistrate located in the Jaghir will not have sufficient criminal work if his jurisdiction is confined merely to the Jaghir Taluk.The cost of such administration of criminal Justice in the Jaghir will,in view of its comparatively slender resources,be extremely and unduly heavy.At Kollegal for instance,the Deputy Collector exercises revenue,magisterial and civil functions for the sake of ensuring sufficiency of work even though the revenue of Kollegal is about six times that of the Yelandur Jaghir.A scheme based on similar principle but not involving any additional expense on the Jaghir funds,would,in my opinion,be worthy of consideration.

Yours sincerely,

Bangalore-Dated 12th December 1919.

From

Jaghirdar of Yelandur.

To

C. S. Balasundaram Iyer Esq. B. A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

With reference to Government Notification No.G.11396 Cts.157-18-16, dated the 19th November 1919, establishing, among other Courts, a special Second Class Magistrate's Court at Nanjangud for the Taluks of Nanjangud, Chamarajnagar, Gundlepet, and Yelandur, I have the honour to state as follows:-

2. In the original scheme of the constitution of a separate Magistracy, published with Government Order No.J.4550-4600 -Cts 312-12-1, dated the 10th May 1918, the Taluk of Yelandur was not included. This was a right step, as the Yelandur Taluk, being a Jaghir and marked by tradition and local peculiarities, essentially differs from the ordinary parts of Government Districts.

3. In Government Order No. G.27798-805-Cts 157-18-2, dated the 12th June 1919, the Taluk of Yelandur was, for the first time, brought within the purview of the special scheme. I was not, however, consulted in the matter, and I became apprised of the information only from the Mysore Gazette. The Government Order itself does not assign any reasons for applying the scheme to my Jaghir Taluk. I did not move in the matter at once, as I was given to understand that the District Magistrate of Mysore had made a representation to the Government against the application of the Order to my Jaghir Taluk in the way it has been done. From the Notification referred to in para 1 above, it is apparent that the

the District Magistrate's reference has borne no fruit. Hence, I beg to place the whole matter before Government for favour of reconsideration.

4. In the first place, I feel entitled to request the Government to be so good as to continue the existing arrangement for administering criminal justice in my Jaghir Taluk, which is based on mutual understanding and long standing practice. Even for the sake of homogeneous operation of the scheme, it is not necessary to bring the Jaghir Taluk under the scheme, as it does not form part of the Mysore District in the same way in which the other Taluks do. Secondly, whatever may be the conditions in other Taluks, those subsisting in Yelandur are not in favour of this reform. Owing to relative smallness and compactness of the Taluk, it is quite unnecessary to afford any relief to the Executive Officer of the Taluk, namely, the Amildar. On the contrary, the centralization of the various functions in his hands, as is the case in respect of the Deputy Collector of adjoining British Indian area of Kollegal, is a source of considerable administrative strength. The people of the Jaghir are themselves opposed to the change and their cry seems nothing but reasonable, considering that by being compelled to go to Nanjangud for relief, they shall have to labour under many a disadvantage. It means more prolonged absences from their legitimate occupations; more expenses for travelling and witnesses; increased difficulty of persuading witnesses to undertake the journeys and in all probability, a resultant dilatoriness in the disposal of their cases by the Special Magistrate who has, it should be remembered, many other areas to engage his time and attention. The people of the Jaghir have therefore not been slow in presenting Memorials against the application of the scheme to them, (vide copies of memorials annexed).

5. Turning from these general observations, I may refer to the fiscal considerations affecting the Jaghir. The change is, in the long run, bound to throw additional expenses on the Jaghir as well. It does not lead to any saving; on the other hand, it in-

involves a substantial increase of expenditure under travelling allowances to the Police Officers who shall have to visit Nanjangud very frequently. Besides, owing to the latter circumstance, the superior Police staff may even require augmentation at no distant date. Again, under the standing orders of Government all criminal fines received from convicts for offences committed within the Jaghirarea are to be credited to the Jaghir revenues, separate files are to be kept of Jaghir cases tried by other Magistrates and all charges incurred on account of prisoners confined in the Lock-Ups for offences committed by them within the limits of the Jaghir are to be debited to Jaghir accounts. The simplicity of this financial arrangement between the Government and the Jaghir will be seriously disturbed by the new order. Further, some arrangement will become necessary for making good the loss of revenue to the Jaghir in the shape of Court-fee Stamps, disposal of unclaimed property etc.

6. Thus, I trust that the Government will be pleased to consider that all the advantages lie in excluding my Jaghir Taluk from the operation of the said Government Notification and accordingly I request the favour of Government holding it in abeyance in regard to Yelandur, until at least the matter receives a thorough consideration in all its aspects. I solicit the favour of very early orders in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Narasinga Rau Urs

Jaghirdar of Yelandur.

15

To,

Rajaswadwima,

Sirdar M. Kantharaja Urs, Esqr. B.A., C.S.I.,

Dewan of Mysore.

Respected Sir,

We the undersigned landholders of the Yelandur Taluk respectfully beg to submit that as the result of the Scheme introduced into the Mysore District for separating the judicial from Executive functions in pursuance of Government order No. Cy. 27807 - Ch 157-18-3 dated 12.6.1919 published in the Mysore Gazette of 19th ultimo, We notice with deep concern the Taluk of Yelandur also included in the group of Taluks, territorial jurisdiction whereof is transferred to the Special 2nd class Magistrate's Court to be located at Nanjangud from 1st October next, and fervently pray that Yelandur Taluk may not be brought under operation of the new Scheme for the following reasons:-

1. General

(1) Government are pleased to introduce

the separation Scheme into four Districts of the State in response to the prayer repeatedly urged by some members of the Legislative Representative Assembly, where Pelandur is not represented by any member. So the extention of the Scheme to our Taluk is apparently ordered without any prayer at all on our part.

(ii) While Pelandur was deliberately excluded from the Scheme as detailed in Government order no. J. 4550 - 4600 - Ch. 312 - 12 - 1, dated 10. 5. 1919, we are at a loss to know how it has now come to be suddenly brought under its purview under the recent Government order adverted to above.

(iii) It is understood that the revenue realised in Jaghir Criminal Courts is to be credited to the general receipts of the Taluk and separate file maintained for Criminal cases arising within the jaghir limits even when the same are tried by Magistrates outside the jaghir area. If so, it may be scarcely worthwhile to transfer the Pelandur

Criminal

Criminal jurisdiction to Special Courts as was constituted under the new Scheme on account of the necessary bifurcation of Criminal files as also of Accounts of the Jagirdar Courts and Lockup.

2. Special.

(i) While we thankfully acknowledge that security of our life and property has all along been the first and foremost concern of our benign Government, we beg to submit that when deprived of its local Court, Velandur which is proverbially poor can scarcely afford to bear the distance, or to afford the time, or to incur the expenses involved in having to go to Nanjangud even for petty Criminal cases, the question of constituting a Bench of Magistrates in the Taluk being not feasible at present.

(ii) Velandur being a Frontier taluk with British Indian villages lying within a few yards and furlongs from ours with Karavans, known depredators, gamblers and other bad characters infesting the former, it always needs a trying Magistrate on the spot even if it were a

"ii" Government taluk and much more so as it is a Jaghir. Otherwise public peace and safety are apt to be greatly imperilled by offenders who live across our border getting emboldened to break the laws of the land.

(iii) Ours being the smallest and most compact taluk consisting of as few as 26 principal villages, the Amildar Magistrate cannot really complain of heavy work as might perhaps be done by one of a Government Taluk where the Volume of Revenue and other multifarious duties is decidedly greater than here. Nor have we ever had occasion to complain against the Administration of Criminal justice in the Taluk being dilatory or inefficient.

(iv) We doubt if the Jaghirdar has been a consenting party to the new arrangement, and even if he is one, we beg leave to humbly submit that the innovation is least calculated to meet the public approval.

For the foregoing reasons we venture

to

to submit that it is as inexpedient as it is detrimental to public interest to transfer the local Magisterial court elsewhere and to pray that Pelandur may be left alone, at least for some time to come pending the decision of Government as to the result of the Scheme tried in other Taluks, and that the present Amildar may kindly be invested with 2nd class Magisterial powers as without it we are at present put to much inconvenience, worry and loss.

Hoping that you will graciously be pleased to favour us with favourable orders.

I beg to remain,

Respected Sir,

Dear Sir,

165 I am in receipt of your D. O. No G 13624-5/Ch 157. 18. 20, dated 11th dec 1919, enquiring whether the jaghirdar is agreeable to bear the cost if a Special Magistrate's Court is located in the jaghir.

In this connection please permit me to bring the following few lines to the notice of the Government. It can be traced from the old records of the Matt, that during the year 1835-36 when the Government wanted to curtail the judicial powers till then exercised by the jaghirdar who did not agree to any such curtailing,
